VOICE OF BESSES WARD

19th July **VOTE - BESSES RESIDENT PUTTING BESSES FIRST!**

Our Community is at breaking point

How long have Labour had their chances to sort out the problems of our area, For me and hopefully for you it is far to long.

We need fresh people with fresh ideas who want to put our community first!

A Strong Voice

I am a strong no nonsense voice required to kick the political correctness idiots into touch. My "spade is a spade" approach is a breath of fresh air, you can trust me to stand firm for our area.

Putting Local People First

I believe in putting local people first for housing, jobs and local services. The cost of living is at a record high and continuing to rise, if elected you can rest assured that I will do everything in my power to drive down the cost of living.

I Care

I'm not involved in politics to line my pockets like other politicians, I sincerely care about our unique area and want to ensure the right decisions are made to safeguard it's future.

Protecting our Services

I will protect Adult and Elderly Care.

I will protect Children's Services including Education & Children's Centres.

I will continue to root out fraud and wrong doing in the Council.

I will continue to ask you for your opinions on events affecting our area.

Vote for Stephen on 19th July - Because you care too..

Stephen Morris

English Democrat Candidate
